

Durus end-caps are a plug or barrier that can be used to retain lubricant in static sealing applications. These caps feature a nitrile rubber coating that improves OD sealing ability in a variety of housing materials.

Durus end caps are made in two standard profiles. See Illustration A below.

Part Number Bore Dia. Seal Width

End Caps

19X7 CAP	19	7
22X6 CAP	22	6
24X7 CAP4	24	7
25X5 CAP	25	5
26X4 CAP	26	4
28X7 CAP4	28	7
30X6 CAP	30	6
30X8 CAP	30	8
32X8 CAP4	32	8
35X7 CAP	35	7
35X8 CAP	35	8
37X10 CAP	37	10
37X5 CAP	37	5
